

Back-to-School Program

Sponsor a child for school supplies

Remember the excitement of the first day of school? Your new notebooks, pencils and backpack?

Share that memory by assisting a child who needs help getting ready for the next school year. There are over 7,000 children in Anne Arundel County who qualify for Federal Lunch assistance, an indication that the children's families are low-income.

Since 1989, the Anne Arundel County Department of Social Services has partnered with the Board of Education to help children who attend the County's public elementary schools.

Here's how the program works:

- Donors (individuals, businesses and/or groups) are matched with children in need of school supplies and are provided a list of the required supplies. The donors purchase supplies and backpacks and deliver the items to the Guidance Office at the elementary schools the 2nd week in August.
- On average, school supplies cost between \$50 and \$75, depending upon the child's grade in school.

It's easy to help! Simply fill out the **Back to School Donor Form** below and e-mail, fax, or mail the form back to us. We'll contact you with the name of a child you can help. For more info, contact the Volunteer Office at 410-269-4462.
